2. All entries, accompanied by entry fees where applicable, must be made by entry deadlines. Livestock entries will be taken on a first come first served basis until facilities are full, then entries will be refused. Entries may close before deadlines due to meeting capacity. For entry fees, see specific departments, classes and/or lots within the Exhibitors Book.
3. Premium checks to any livestock exhibitor are limited to TWO in a single class or lot per exhibitor, unless noted otherwise. In animal groups where exhibitors have no competition, only one premium will be paid. Non-livestock departments are limited to ONE entry per lot, per exhibitor.
4. All classes are open to any exhibitor, provided the requirements of each department and general rules of the McLeod County Fair are met, abided by, and applicable entry fees have been paid.
5. **PREMIUM CHECKS WILL BE ISSUED THE LAST DAY OF THE FAIR.** Premium checks under \$5.00 will not be mailed. If no mailing address or phone number are provided at registration, checks may not reach the recipient and will be invalid after 90 days.
6. Any article entered for competition must correspond in Class and Lot with each premium list and must be in its proper department to obtain a premium. No changes or alterations will be permitted after the books are placed in the judge's hands.
7. Everything entered for competition must be on exhibit until **7:00 P.M.** the last day of the fair. Any exhibit not called for within 30 days after the close of the fair will become property of the Association. Perishable items (food, flowers, produce & crops) will be disposed of the next day following the close of the fair if not claimed.
8. No animal or article unworthy of a premium shall receive a premium even when there is no competition, nor shall any animal or article receive a higher premium than its merit demands. When there is nothing in a class deserving a premium, the judge or committee shall make no award. Lack of competition shall not be a cause for withholding a premium, if the animal or article is worthy, except when otherwise provided.
9. Exhibitors of animals are to have the name of the animal, the particular breed to which the animal belongs, along with other information as desired, in a conspicuous place on/above respective pens or stalls.
10. All livestock exhibits must remain on the fairgrounds starting at 9am Thursday through 7pm on Sunday.

11. All livestock exhibits must be clean, bedded and presentable for public display between the hours of 9am and 10:30 pm daily.
12. The McLeod County Agricultural Association will use diligence to protect livestock and articles entered for exhibit after their arrival and placement, but under no circumstances will the McLeod County Agricultural Association be responsible for any loss, injury, or damage done to or caused by an animal or article on exhibition. It is the responsibility of the competitive exhibitor to obtain appropriate insurance for any damages done to or caused by an exhibit, and to indemnify and hold the Agricultural Association harmless against any claim arising out of incidence involving the exhibit.
13. Warning: Livestock activities pose inherent risks. These dangers or conditions are an integral part of livestock activities, and they include: The propensity of livestock to behave in ways that may result in death or injury to persons on or around them, such as kicking, biting or bucking. The unpredictability of livestock's reaction to things like sound, sudden movement, unfamiliar objects, persons or other animals. Natural hazards such as surface or subsurface conditions. Collisions with other livestock or objects. The McLeod County Agricultural Association (fair board) and persons donating services, livestock, facilities, or equipment for its use, are immune from liability to participants in livestock activities resulting from these inherent risks pursuant to Minnesota statute 604a.12. Those who participate or watch do so at their own risk and should take all necessary precautions to ensure their own safety.
14. Members of the awarding committee shall not consult on the merits of animals or articles they are judging.
15. Any person attempting to interfere with the awarding committee during the adjudication shall forfeit any premium he or she may otherwise be entitled to in the division.
16. No animal to article shall compete for more than one Open Class premium except as a part of a collection, herd, or sweepstake.
17. The judge or committee on livestock will have regard to symmetry, early maturity, size and general characteristics of the breed to which they belong. They will make proper allowances for age, feeding and other circumstances affecting the character and condition of the animals and may require satisfactory proof of facts.
18. Judges or committees (especially those on animals) shall give reason for their decisions in writing if required by the exhibitor, embracing the value of the desirable qualities of the animal or articles to which the premiums are awarded.
19. All protests and appeals of the decision of an awarding committee or judges must be made in writing to the secretary before the close of the fair or 24-hours post judging of the exhibit; whichever timeframe expires first.
20. No awarding committee shall award any discretionary premium.
21. Special premiums may be offered by interested persons for entries which conform to the general classification of the association.
22. Superintendents of all departments have the right to accept or reject any exhibit as deemed necessary and reserve the right to classify or reclassify work that better fits another department/class/lot for competition. In the event of a dispute the Agricultural Association Executive Board shall make the ruling.
23. All Livestock and poultry exhibited at the Fair must conform to the rules and regulations of the State Board of Health in that:
  - a) Livestock or poultry known by the exhibitor to have an infectious, communicable disease, to have been exposed to an infectious, communicable disease, or to be from a quarantined herd or flock may not be entered in an exhibition. *Warts and Ringworm are considered a communicable disease.*

The Official Veterinarian will order the immediate removal to a quarantine facility, or removal from the exhibition premises of any livestock with symptoms of infectious or communicable diseases, or animals exhibiting body condition not suitable for exhibit. Animals placed in a quarantined facility must remain there until removed from the exhibition premises. They may not enter a show ring and will forfeit any entry fees and premiums. This includes livestock with warts or ringworm.

All livestock exhibitors are expected to clean up wash rack spaces, manure carts, and keep an orderly appearance of the barns as a joint effort. Superintendents may have additional tasks, as needed.

28. The McLeod County Agricultural Association follows the rules and regulations of the IAFE National Code of Show Ring Ethics. A copy of these rules can be found online at [www.fairsandexpos.com](http://www.fairsandexpos.com), the McLeod County Fair website, or in the fair office upon request.
29. 4-H Members shall consult the McLeod County 4-H Premium Book and honor specific 4-H guidelines and regulations.
30. Department specific rules & guidelines are listed within each department and will take precedence over information listed within this list of general rules, when applicable.

## LIVESTOCK EXHIBITOR PARKING, TRAILERS & CAMPING

31. The **Market Street Gate** is no longer a staffed, exhibitor only gate. It is intended for exhibitors and will have signage indicating it is an exhibitor entrance. The gate may be locked by fair staff at any time if a high volume of traffic begins using this as an entrance point.
  32. **VEHICLE PARKING:** Livestock Vehicle passes are no longer needed for parking in the East parking lot. **NO PARKING VEHICLES NEXT TO BARNs** to allow adequate space for livestock traffic and access to barns.
- TRAILERS:** *(if you have a camping space – see trailer parking info included under Camping)*
33. **NO TRAILER PARKING WITHIN THE FAIRGROUNDS THURSDAY THROUGH SATURDAY OF THE FAIR** *(unless within in a camper space).*
    - a) Any trailers remaining Thursday will be removed at the owner's expense. Trailers may begin parking in the lot on Sunday.
    - b) If trailers are not taken home, there is parking space designated in the field to the southeast of the grandstand fence for your use. Trailers do not need to be registered at the fair office and will have no specific parking spaces.
    - c) Trailers can be accessed at any time by using the grandstand pit access road off CR 115/Airport Road. Parking is for your convenience and is not located within the fenced in property of the fairgrounds – you are liable for your trailer and contents.
  34. It is important that your trailer drivers understand the traffic flow to avoid congestion:
    - a) During load in/out on Wednesday/Sunday, use the Market Street gate for trailer traffic. Keep to the right and circle in a counter-clockwise rotation, exiting the Market Street gate when unloaded/loaded. See map on the website or the fair office for reference.
    - b) Do not park in a way that will block the flow of traffic or access to vehicles or trailers. If possible, lead your animals to/from your parked trailer to help avoid congestion along livestock buildings and the roadway.

### CAMPING:

35. Camping on the grounds is currently limited to livestock exhibitors and fair board members. All campers must be pre-registered in the fair office. Camping space is limited to the first **40** campers registered *(and fills FAST that morning)*. **Registration opens in the fair office on FRIDAY, August 1<sup>st</sup> at 8:00 am. Only 1 camp-site reservation per person at registration & NO GROUP RESERVATIONS.** If you call the office or leave a phone message to reserve your space, the people in line at the office will be helped first. A paid camping fee and signed agreement is required to reserve a space. Only one camping unit allowed per campsite. No water hookups. **NEW this year is two pricing options for campsites: \$100 for no electrical connection and \$140 for spaces with access to a 20amp electrical connection. All campers within the electrical connection row pay the \$140 fee. Those sites using power must provide your own appropriately rated cord at least 50' long to reach the power distribution boxes.** Camping spaces are 25'x approx. 40'. Campers may provide their own personal *quiet* generator to fulfill power needs. The McLeod County Agricultural Association is not liable for any accidents and assumes no liability for incidents or loss associated with campers, equipment or any individuals involved. By signing the waiver, you and your party agree to these terms and conditions.
  - a) **Camping spaces will be marked with a numbered flag and ready for camper arrival after 5:00 PM Tuesday. DOUBLE CHECK TO MAKE SURE YOU ARE PARKED IN THE CORRECT SPACE BEFORE PLACING CAMPER** or you will need to eventually move.
  - b) A livestock trailer may be parked on site in a camping space. **Trailers must fit within your 25' wide space with your camper.**
  - c) **Vehicle Parking: The fair is not liable for ensuring that vehicles refrain from parking in front of your camper spaces. Spaces are only marked out to specify the width of the space, not length.**
  - d) The Minnesota Department of Health has requested that a **minimum separation distance of 7 feet** be maintained between the sides of adjacent recreational camping vehicles. Therefore, each camper must **stay 3.5 feet away from the dividing lines on each side of your 25' wide space.** This includes steps and slide outs. A trailer parked alongside your camper is not included in the 7' distance, but must stay within the lines of your space to allow neighboring camper doors to open, etc. *Please be respectful to your neighboring campers.*

## ELECTRICAL REQUIREMENTS

The County will be strictly enforcing the following requirements regarding extension cords used in all livestock barns during the fair, and should be followed by all exhibitors:

# Department 11 - FRUITS

Tracy Rickeman, Superintendent

**NON LIVESTOCK entry day will continue to be TUESDAY for Open Class Departments. No public events held Wednesday.**

**ENTRIES ACCEPTED FROM NOON – 7:00 PM TUESDAY. NO ENTRIES WILL BE ACCEPTED AFTER 7:00 PM.**

Exhibits must remain in place until **7:00 PM Sunday**, the last day of the fair.

**Please pre-register your exhibits prior to entry day for a quicker entry process and to have tags printed and ready for you upon arrival.**

All exhibitors must read and abide by the rules listed on pages 2-4 of the premium book, as well as the specific rules for the department. All fruit entries must be grown by the person in whose name it is entered. Only one entry of a kind will be allowed under one classification. **Entries in the “any other” categories are only for items that do not already have a designated class - others will be rejected.** Fruits entered for single plate premiums cannot be used in making up the entries qualifying for collections. Likewise, plates entered as collections cannot compete for single plate premiums. The designated number of specimens for an individual plate will be listed under each fruit category. Individual plates in collections will follow the rules for single plate entries. Collections will be placed apart from the single plate entries and no duplication will be allowed in a collection. Varieties should be correctly labeled on all entries. Paper plates will be the only display materials provided for exhibitors. Premiums will not be awarded for categories not listed. Uniformity in size and color will be the principal criteria used by the judge in awarding premiums. Quality or freedom from disease and insect damage is likewise important. The judges may, at their discretion, withhold premiums from any exhibit which they consider to be unworthy of premiums. Exhibitors may replace any specimen that is showing deterioration during the fair after time of judging. Premiums will be issued the last day of the fair & should be collected before leaving. No checks under \$5.00 will be mailed.

## Department 12 – VEGETABLES

Tracy Rickeman, Superintendent

**NON LIVESTOCK entry day will continue to be TUESDAY for Open Class Departments. No public events held Wednesday.**

**ENTRIES ACCEPTED FROM NOON – 7:00 PM TUESDAY. NO ENTRIES WILL BE ACCEPTED AFTER 7:00 PM.**

Exhibits must remain in place until **7:00 PM Sunday**, the last day of the fair.

**Please pre-register your exhibits prior to entry day for a quicker entry process and to have tags printed and ready for you upon arrival.**

All exhibitors must read and abide by the rules listed on pages 2-4 of the premium book, as well as the specific rules for the department. All vegetable entries must be grown by the person or family in whose name it is entered. Only one entry of a kind will be allowed under one classification. Vegetables entered for regular premiums cannot be used as entries for display, and vice versa. **Entries in the “any other” categories are only for items that do not already have a designated class - others will be rejected.** Exhibitors must enter the quantity called for in each lot, or the entry will be disqualified from competition. Paper plates will be the only display materials provided for exhibitors. Premiums will not be awarded for vegetables not appearing on the official list. Vegetable entries will be judged mainly on Quality and Marketable appearance. Large size, unless called for, is not a factor to be considered. (Note: large sized specimens are only called for in Class 9). Uniformity in size, shape and smoothness will be given preference over uneven sized, and shaped vegetables, or rough-skinned vegetables, when several specimens are called for. Diseased and damaged vegetable specimens are normally disqualified, or not considered when premiums are awarded. The judges may, at their discretion, withhold premiums from any exhibit they consider unworthy to compete. Exhibitors may replace any specimen that is showing deterioration during the fair after time of judging. Premium Checks will be issued the last day of the fair and should be collected before leaving. No checks under \$5.00 will be mailed.

**NON LIVESTOCK entry day will continue to be TUESDAY for Open Class Departments. No public events held Wednesday.**

**ENTRIES ACCEPTED FROM NOON – 7:00 PM TUESDAY. NO ENTRIES WILL BE ACCEPTED AFTER 7:00 PM**

Exhibits must remain in place until **7:00 PM** the final day of the fair. Only ribbons are awarded for Champions and Reserve Champions (no premium). Premium Checks will be issued the last day of the fair and should be collected before leaving. No checks under \$5.00 will be mailed. All exhibitors must read and abide by the rules listed on pages 2-4 of the premium book, as well as the specific rules for this dept.

All exhibits in Department 17 must conform to size and number as stated, otherwise judges will not consider them in competition.

Baked goods made from packaged mixes are accepted only in lots specified. All canned goods must be in jars with new rings and lids and be labeled with processing method. No ½ pint size jars are accepted (only for jellies & jams). Not more than one entry will be permitted in any one lot by one exhibitor. Entries cannot be made in the same lot by more than one person from the same family. **Exhibitors that qualify for junior or senior classes may also exhibit in other classes & lots but must use a different recipe.** Please bring your baked goods in a sealed storage bag. Do not enter plates or containers – they will not be exhibited with your item unless required for the food category.

Submitting recipes with entries is not required. Exhibits will be removed as they become unrepresentable throughout the duration of the fair. The exhibitor card will remain in its place.

**\*\*Please pre-register your fair entries by either submitting a paper entry form to the fair office or an online entry no later than Saturday prior to the start of the fair (see website for directions to online entry).** This will ensure that entry tags are printed and ready for you upon arrival for a quick and easy entry process. Only 10 or less exhibits per person will be accepted on Tuesday if not pre-registered. Call the fair office for assistance if you have questions, 320-587-2499.

**GENERAL JUDGING CRITERIA:** Judging is based on appearance, color, texture, internal appearance, flavor, aroma, etc. appropriate to the product, based on the judge's discretion.

**The Helen Stark Memorial Best Baker Award**

*Congratulations to the 2024 Best Baker Award Recipient, Laura Heuer*

Helen Stark was a multi-talented baker. She won many awards at the McLeod County Fair, as well as the State Fair. This award is a donation by her son, David Stark.

Criteria: Exhibitor must be selected as a Champion in the baking lots of this department. Out of all the champions, the judges will choose the Best Baker award. *Have Fun Baking!*
